

BHARGAV JADAV

FRONT-END DEVELOPER

Nikol, Ahmedabad, Gujarat, India | +91 94282 11480 | bhargavjadav2004@gmail.com

Portfolio: bhargavjadav.netlify.app | LinkedIn: linkedin.com/in/bhargav-jadav16

SUMMARY

Enthusiastic and detail-oriented Front-End Developer with strong skills in HTML, CSS, JavaScript, Bootstrap, and React.js. Passionate about building responsive, user-friendly, and visually appealing web applications, with a track record of translating UI/UX designs into functional code. Committed to continuously learning new technologies to enhance user experience, and seeking an opportunity to apply my skills and grow as a professional developer in a dynamic organization.

EDUCATION

Bachelor of Computer Applications (BCA) <i>Silver Oak University, Ahmedabad</i>	2022 – 2025

PROJECTS

Nike Shoes — React.js, CSS, Bootstrap

- Built a responsive e-commerce shoe product landing page, applying React component-based architecture for efficient, scalable development.
- Designed bold visuals and strong call-to-action buttons with e-commerce integration placeholders, optimized for a clean, mobile-friendly user experience.

Swastik Chat Bot — Python, Flask, Gemini API

- Designed and developed an AI-powered chatbot that answers user queries based on the teachings of the Shree mad Bhagavad Gita.
- Integrated multilingual support and chat history features using Python, Flask, and the Gemini API to enhance user interaction and learning experience.

JARVIS — AI-Powered Desktop Assistant

- Designed and developed a personal AI-powered desktop assistant with intelligent voice- and command-based automation to control applications and perform tasks.
- Integrated AI capabilities to improve automation, productivity, and desktop interaction through an intelligent assistant system.
